By using the Floridapediatrics.com website (the "Site"), you are accepting the practices described in this privacy policy. You are encouraged to review the privacy policy whenever you visit our site to make sure that you understand how any personal information you provide will be used.

**WHAT INFORMATION WE COLLECT**

The sole purpose of our Site is to provide general information to the public about our medical practice including the medical services we provide at various locations and the health plans that we participate with. We have NO need for visitor or user information. Simply put, we do not knowingly collect personally identifiable information UNLESS a visitor chooses to contact us through our E-mail link. Then, of course, we would have the sender's E-mail address and any other personal information (e.g. mailing address or telephone number) that the sender voluntarily includes in the E-mail. We prefer that when a visitor chooses to contact us for further information that he or she simply sends an E-mail with no additional information. The information the sender provides is used to fulfill a request for additional information.
